

Cincinnati ASHRAE News

A monthly publication of the Cincinnati Chapter of the American Society of Heating, Refrigeration & Air Conditioning Engineers

The President’s Corner

“Efforts of the Society, its members, and its bodies shall be directed at all times to enhancing the public health, safety and welfare.” – ASHRAE Code of Ethics 1.140.001.1.A

<https://www.ashrae.org/about/governance/code-of-ethics>

Dear Cincinnati ASHRAE members and friends,

Hello. I hope this finds you and your families well as we move through this pandemic and learning how to live with coronavirus, and eventually how to kill it.

ASHRAE events have as you know mostly moved online, and there has been an encouraging amount of research and interest in applying already gathered knowledge in the work of stopping the spread. Keep up the good work all of you.

As the 2019-2020 Chapter year comes to a close I want to extend a personal thanks to all those on the board and chairing committees who have done so much to make this a successful year. I would call their names out here but since you can read them in the column to the right, I figured that would be a bit redundant. Thanks again everyone!

Also, this is the time we need to recruit a couple more members for the board of governors. Serving in these offices is a great way to get to know other members, develop leadership skills and in general improve as an HVAC engineer. If you would be interested in serving on the board of the Cincinnati ASHRAE chapter please contact me at 513-608-8565 or through our gmail account at ashraecincinnati@gmail.com.

Our golf outing, usually in May, has been rescheduled for September 3rd at the Hamilton Elks golf club. Details coming soon.

Thanks,

Steve Tossey
